IS NOW!**

# LESS PROBLEMS FROM YOUR LEAVE, MORE COVERING YOUR BUSINESS EXPENSES!

Imagine that you **cannot work due to illness** and your business' fixed costs account for 40% of the monthly billing, which is 5,000 euros.

In order to face them, you would need to earn at least 67 euros a day. But, if you would have other extra expenses, such as hiring someone to replace you while you are on leave, **would you be able to face these expenses with the social security cover?**

Having guaranteed **an amount for everyday you are on leave** due to illness or accident in your professional and personal life **will compensate for the lower income**, allowing you **to focus on what's most important: your recovery.**

## MORE ADVANTAGES TO ENJOY!

**TAX BENEFITS** of up to 500 euros if you pay using the direct estimation method.

**SECOND MEDICAL OPINION.**

**DKV CLUB SALUD Y BIENESTAR**, with which you can access a catalogue of services such as assisted reproduction, myopia and presbyopia surgery, online parapharmacy, and more. [dkvclubdesalud.dkvseguros.com](http://dkvclubdesalud.dkvseguros.com)

**WITHOUT DELAY**, because if your leave is extended due to waiting for a test, we will take on the cost at another centre.

**SPECIAL BENEFIT** for childbirth and adoption of 20 times the contracted compensation.

**CHOOSE** between different excesses and include the one you prefer.

## MORE COVER!

Compensation for **surgical procedures**.

Extra compensation per day of **hospitalisation** for any reason.

Medical assistance due to an **accident** (using the DKV affiliated network).

Compensation for **total** disability.

**YOU HAVE THE POWER TO DECIDE IF,
