**THE TIME TO TAKE CARE OF YOURSELF IS NOW!**

**WITH AN INSURANCE THAT WILL HAVE YOU COVERED IN THE EVENT OF WORK LEAVE**

# LESS PROBLEMS FROM YOUR LEAVE, MORE COVERING YOUR BUSINESS EXPENSES!

Imagine that you **cannot work due to illness** and your business' fixed costs account for 40% of the monthly billing, which is 5,000 euros.

In order to face them, you would need to earn at least 67 euros a day. But, if you would have other extra expenses, such as hiring someone to replace you while you are on leave, **would you be able to face these expenses with the social security cover?**

Having guaranteed **an amount for everyday you are on leave** due to illness or accident in your professional and personal life **will compensate for the lower income**, allowing you **to focus on what's most important: your recovery.**

## MORE ADVANTAGES TO ENJOY!

**COMPENSATION** with quick payment (even without the medical discharge report), choosing the daily amount to be received in a scale without excess of 7 days.

**EXPENSES COVERED** in both accident and illness, whether work-related or in your personal life.

**ACCESS TO SERVICES** such as a second medical opinion, myopia surgery, etc., at a very special price.

**TAX BENEFITS** of up to 500 euros if you pay using the direct estimation method.

**SPECIAL BENEFIT** for childbirth and adoption of 20 times the contracted compensation.

## AND IF YOU WISH, YOU CAN ALSO TAKE OUT

Compensation for **surgical procedure.**

Compensation for medical assistance due to **accident** (using the DKV affiliated network).

Compensation for **total permanent disability.**

Extension of the compensation during the first year, year and a half and 2 years with a daily compensation.

Support, as in the event of hospitalisation you will receive compensation for each day you are admitted.

**YOU HAVE THE POWER TO DECIDE IF,  
WHEN HAVING TO TAKE A LEAVE, YOU  
WANT TO ENJOY PEACE OF MIND.  
ARE YOU ONE OF US?**
